

Our Parts & Warranty

Enviro-Tech Mechanical Services Ltd has an in-house parts department to keep your equipment online. A dedicated Parts Specialist is available for consultation on all orders. Enviro-Tech Mechanical Services Ltd is an authorized parts outlet for multiple manufacturers. We are committed to an inventory of genuine OEM parts and will process warranty returns for manufacturers, dealers and end users.

The parts counter is open to the public and trades from 8am to 5pm Monday through Friday. We have a pickup and delivery service available to suit logistical needs. We carry thousands of parts from hundreds of quality manufacturers from a simple thermostat replacement to any/all major components.
